POSITION DESCRIPTION

Job Title: Shift Officer-Maintenance/Facilities
Status: Regular Full-Time
Classification: Non-Exempt
Salary: DOE, rank of Lieutenant or Captain DOE
Reports to: Deputy Chief
Positions supervised: Career and Volunteer Emergency Service Personnel

POSITION DEFINITION:

This is a non-exempt position reporting directly to the Deputy Chief or designee. The position provides initial response to fire, EMS, rescue and hazardous materials in the Chena-Goldstream Fire and EMS Service areas and establishes Command of the incident until relieved by a superior officer. Performs daily fire department business, facility & equipment maintenance, and equipment checks. The position requires attendance at all weekly and assigned training classes and participates as an instructor. The Shift Officer must become certified to drive all fire department apparatus, be certified to perform firefighting duties at the level of Firefighter II and be authorized by the department to function at an EMT III-Advanced level/Alaska EMT Advanced or higher under the standing orders of the department physician sponsor and Fairbanks North Star Borough. This is a supervisory position for operational and educational issues and includes management, leadership, and training responsibilities for all assigned personnel. Shift Officers may also function as Acting Battalion Officer. The position calls for working 8 hours per day/ 40 hours per week schedule or 48 hours on/96 hours off rotating work schedule. This individual is responsible for the efficient management and implementation of an effective fire training program for the department career and volunteer emergency service personnel. Typical activities include technical fire and emergency duties at all levels, including fire suppression, hazardous material, public education, emergency medical service, administrative and supervision.

JOB RESPONSIBILITIES AND TYPICAL DUTIES:

- Assists Deputy Fire Chief in developing and justifying annual budget for apparatus and building maintenance
- Prepares, accurately enters, and maintains documentation and apparatus maintenance/repairs
- Performs, accurately documents, and maintains records for annual apparatus pump testing
- Responsible for scheduling and documenting annual preventative maintenance for department apparatus and vehicles
- Prepares monthly mileage and hour reports for Fairbanks North Star Borough shop
- Schedules and coordinates any maintenance or repairs needed on ambulances with Fairbanks North Star Borough shop
- Schedules and coordinates any maintenance or repairs needed with outside vendors
- Performs, accurately document and maintains records for monthly building and facilities inspections
- Coordinates with contractors for repairs needed to department facilities and buildings
- Coordinates, accurately documents, and maintains records for annual ladder testing
- Coordinates, accurately documents, and maintains records for annual hose testing
- Coordinates, accurately documents, and maintains records for annual
