- State of Alaska EMT 1 Certification for Engineer and Firefighter positions
- State of Alaska EMT 3, AEMT, or Paramedic Certification and ability to serve as a lead medic for Shift Officer and Driver/Medic positions. 3% Paramedic incentive

EXAMPLES OF DUTIES (Depending on position)

- Operate as the shift lead, managing a crew of paid staff, volunteers, and scholarship students
- Function as the lead medic on a 2-3-person ambulance
- Drive and operate fire apparatus to include ambulances, engines, and tenders.
- Lead crews on emergency scenes
- Shift work consisting of 48 hour shifts

THE DEPARTMENT

Chena-Goldstream Fire & Rescue is an all hazards fire department that covers the outskirts of the west side of the Fairbanks North Star Borough that covers approximately 80 square miles of fire service area and 729 square miles of EMS service area averaging around 800 calls per year. The department has four fire stations, with daily full time staffing consisting of one Shift Officer, Engineer, Firefighter/EMT, three Firefighter/EMT scholarship students and volunteer Firefighter/EMTs. We frequently operate on emergency scenes alongside other fire department agencies in the Fairbanks North Star Borough and the Alaska State Troopers.

BENEFITS

- Competitive wage
- Full Paid Medical for employee and family
- 13% department contribution to retirement
- Strong PTO program

Should you be chosen for the interview and assessment center, the following events will take place;

- Final Candidates are interviewed.
- Physical agility test

The final results will be reviewed by the Fire Chief.

Employment offers will be contingent upon passing a department physical agility test, drug test, physician physical and background check.
